Model Range	Stock-Code	List Price £	Description
RAIL - lighting & audio combined		This is a sample selection of key Rail components. For system prices, including junctions ('T' and 'L' etc) ,all necessary fixings, RAL-coloured Rail options, lighting coverage & lux-level data, audio coverage etc - please contact us. We can load all your requirements into the Rail Configurator to calculate a complete package.	
<p><i>Lighting track in 1.2m lengths, combining a range of high-quality Nichia LED light-sources with compact loudspeaker drivers, to deliver both lighting and audio in a visually ultra-discrete package. Rail can be flush or semi-flush fitted into a ceiling, suspended as a pendant rail, or wall-mounted in applique fashion. A choice of symmetrical, asymmetrical, spot and diffused downlight sources with the additional options of diffuse uplighters (for pendant and applique applications) and/or a set of full-range, premium-quality loudspeaker drivers incorporated into the tracks. Perfect for Exhibitions, Foyers, Hotel Lobbies, Offices, Museums and Retail etc.</i></p> <p>Specifications (per 1.2m length):</p> <p>Dims (mm): Length 1190 x Width 35 x Depth 92 @3.0kg</p> <p>LIGHT: Colour Temperature: 3,000° K as standard, with 2,700° and 4,000° as options CRI: >90 (UNI10380) Luminous Flux: 3,680 lm LM₈₀: 60,000 hours Control: On/Off or optional DALI. OEM PWM dimmers can also be used to dim LEDs on the non-DALI track (must be compatible with 24V dc, 10 A_{min} LEDs). Consumption: 32W (std) to 50W (with uplighters) Input Voltage: 24V dc constant voltage Standards: EN 60598-1:2015, EN 60598-2-1:1989, EN 62471:2008</p> <p>AUDIO: Distributed point-source Drivers: 3 x (1" x 5") glass-fibre with 0.75" voice-coil Power rating: 35W @ 48Ω Dispersion: V 10° x H 110°</p> <p>Freq. Response: 60Hz-20kHz (-10dB) @ 84dB max SPL (full-range) 200Hz-20kHz (-10dB) @ 97dB max SPL (with sub-bass)</p> <p>PLEASE NOTE: Suitable DSP <u>essential</u>. Drivers warranted for 5 years when powered by K-array amplifiers (see below).</p> <p>Loudspeaker Freq Response and SPL levels can be increased by adding separate sub-bass loudspeakers - see below.</p>	R120-DF-V-DL-W-AU	792.00	RAIL R120: Diffuse downlight (24V dc control), integral Audio - WHITE finish
	R120-DF-V-DL-B-AU	792.00	RAIL R120: as above - BLACK finish
	R120-AS-V-DL-W-AU	960.00	RAIL R120: Asymmetric downlight (24V dc control), integral Audio - WHITE finish
	R120-AS-V-DL-B-AU	960.00	RAIL R120: as above - BLACK finish
	R120-SS-D-DL-W-AU	1,368.00	RAIL R120: Combined Symmetrical downlight and central-bank of 12 mini-spot downlights (DALI Control), integral Audio - WHITE finish <i>Mini-spot downlights ideal for illuminating sales counter, desk etc. Spot-bank and symmetrical downlight individually dimmable via DALI</i>
	R120-SS-D-DL-B-AU	1,368.00	RAIL R120: as above - BLACK finish
	R120-EC-V-DL-W-AU	1,872.00	RAIL R120: Electric-rail track with 2 x removeable spots (DALI Control), integral Audio - WHITE finish. Each spot rated 24V / 7W. 290 lm @ 3,000°K <i>Each track-section supports up to 4 x K-array spots . OEM luminaires compatible with Stucchi ref 9500-1/B-ST1 track can also be used.</i>
	R120-EC-V-DL-B-AU	1,872.00	RAIL R120: as above - BLACK finish
	R120-SY-V-DL-W-AU	960.00	RAIL R120: Symmetric downlight (24V dc control), integral Audio - WHITE finish
	R120-SY-V-DL-B-AU	960.00	RAIL R120: as above - BLACK finish
	R120-SY-D-DI-W-AU	1,248.00	RAIL R120: Symmetric downlight & diffuse uplight (DALI Control), integral Audio - WHITE finish Symmetrical downlight and diffuse uplight are individually dimmable via DALI
	R120-SY-D-DI-B-AU	1,248.00	RAIL R120: as above - BLACK finish
	R120-SS-D-DI-W-AU	1,440.00	RAIL R120: Combined Symmetrical downlight, central 12 mini-spot downlights-bank & diffuse uplight (DALI Control), integral Audio - WHITE finish <i>Mini-spot downlights ideal for illuminating sales counter, desk etc. Downlight, spot-bank and diffuse uplight each individually dimmable via DALI</i>
R120-SS-D-DI-B-AU	1,440.00	RAIL R120: as above - BLACK finish

RAIL ACCESSORIES		<i>See the K-array price list for pricing on suitable sub-bass loudspeakers (Truffle & Rumble series) and Amplifiers (esp KA02 and KA14)</i>	
Rail	RTW	48.00	End-cap for track - White finish
Rail	RTB	48.00	As above - Black finish
Rail	SPOT-4W	336.00	Spot for Electric-rail track - White finish (max of 4 x spots per 1.2m section)
Rail	SPOT-4B	336.00	As above - Black finish
Rail	HS-SF-120	130.00	Semi-flushed housing shield
Rail	APP-120	48.00	Wall-mount bracket (white)
Rail	PEN2-120	72.00	Pendant ceiling-mount kit with 2 steel-wires & track-joining plate
Rail	PLA1-120	30.00	Ceiling surface-mount kit - for one end of track
Rail	PLA2-120	42.00	Ceiling surface-mount kit, double-length, with track-joining plate - to mount two tracks at the join
