AV Processors				
Altitude¹⁶ This AV Processor can render up to 16 discrete channels of information and comes equipped with Dolby Atmos, Auro-3D, and DTS:X immersive-audio decoders with up to 24bits / 96KHz 64 bits floating point internal processing. Integral tridimensional acoustic measurement. Up to 4-way intelligent active crossover calibration and unlimited bass management. Remote control. RS232. 1 and 4 trigger outputs. Dims: H 138.4mm / 3U rack-mount x W 438mm x D 430mm @ ~14.5kg <i>rack-mount kit included</i>	Altitude¹⁶	AL16	11,625.00	16-channel Pre-Amp / Optimiser. Dolby Atmos, Auro-3D, and DTS:X Pro immersive audio decoders
	Altitude³² Multiple award-winning range, utilising the latest integrated 3D audio and loudspeaker/room optimisation technologies and featuring from 8 to 32 output channels (DB25). All models have full input/output matrix with 29 x configuration presets. The 8-8 entry model supports the latest HD Audio and Video formats, whilst the 16-32 (with 3D audio decoding option) delivers up to 32 discrete channels of immersive audio content at an unprece-dented level of quality. Remote control/automation: available via AMX, Control 4, Crestron, Savant and RTI. Dims: H 165mm / 3.5U x W 442mm x D 445mm @ ~11.3kg <i>rack-mount kit included</i>	Altitude³² 8-8	AL32-88	14,409.00
Altitude³² 8-16		AL32-816	17,042.00	16-Channel: 8 x AES Inputs/ 16 x Analogue outputs. Up to 16 x channels.
Altitude³² 16-24		AL32-1624	20,792.00	24-Channel: 16 AES Inputs/ 24 Analogue outputs. Up to 24 x channels.
Altitude³² 16-32		AL32-1632	23,325.00	32-Channel AV Processor: 16 AES Inputs/ 32 Analogue outputs. Up to 32 x channels.
Altitude⁴⁸ Extension		AL48-EXT	16,292.00	Extends an Altitude32 to 24.1.10 capability. Up to 48 individual decoded outputs and a total of 64 processing outputs
Silver finish		ALT Silver	709.00	Choose a Silver-coloured finish for your Altitude (standard finish is Black)
RCU - High End AL16/32		KIT_REMOTE_AL32	138.00	Remote control for Altitude
3D Codec licence		OPT-3D-CODECS	1,996.00	An optional extra for Altitude ¹⁶ , ²⁴ & ³² models.
Altitude Upgrades Altitude products are designed with longevity in-mind. Regular software upgrades are, of course, virtual and free-of charge. Ocassionally, however, a significant hardware development is achieved and, wherever possible, these are made available to enable legacy products to be upgraded - thus extending the lifetime of the product.		Firmware upgrade	UP-AL32-1648	7,875.00
	Hardware upgrade	UP-AL88-1624	6,325.00	AL32-88 to AL32-1624
	Hardware upgrade	UP-AL88-1632	9,159.00	AL32-88 to AL1632-32
	Hardware upgrade	UP-AL88-816	2,709.00	AL32-88 to AL32-816
	Hardware upgrade	UP-AL816-1624	3,709.00	AL32-816 to AL32-1624
	Hardware upgrade	UP-AL816-1632	6,325.00	AL32-816 to AL32-1632
	Hardware upgrade	UP-AL1624-1632	2,709.00	AL32-1624 to AL32-1632
	Board upgrade Kit: CYP HDMI 2.0	UP-ALS-HDMI2.0-CYP	1,041.00	For Altitude ¹⁶
	Board upgrade Kit: CYP HDMI 2.0	UP-AL-HDMI2.0-CYP	1,041.00	For Altitude ³²

July 2021 UK TRADE PRICE LIST in Sterling (Unit prices, VAT excluded). Prices subject to change without notice.

Range	Model	Stock Code	List £	Description
Altitude Warranty Extensions Extend an Altitude unit's warranty by 5 years	Altitude 32 Warranty Extension	AL32-WAR-EXT	2,955.00	Five years' Warranty Extension for Altitude ³²
	Altitude 32 HDMI Warranty Ext	AL32-WAR-EXT-HDMI	3,705.00	Five years' Warranty Extension for Altitude ³² with HDMI
Power-Amplifiers				
Amplitude 8-Channel Power Amplifiers. Dual 4-channel design with dual power supply and 2 independent inlets. Hypex Ncore® class D amplifier technology. <i>Rack-mount kit included</i>	Amplitude⁸ m	AMP8 M	5,825.00	200W per ch @ 8Ω 300W per ch @ 4Ω. W 443mm x D 502mm x H 187mm (inc feet) / 4.5U rack-mount @ ~11.3kg
	Amplitude⁸	AMP8	10,625.00	225W per ch @ 8Ω 375W per ch @ 4Ω 500W per ch @ 2Ω W 443mm x D 502mm x H 187mm (inc feet) / 4.5U rack-mount @ ~11.3kg
	Amplitude¹⁶	AMP16	8,330.00	16 x channels, each producing 200W per ch @ 8Ω / 400W per ch @ 4Ω In bridge mode: 800W per pair @ 8Ω / 1kW per pair @ 4Ω W 443mm x D 502mm x H 187mm (inc feet) / 4.5U rack-mount @ ~11.3kg
Amethyst Audiophile preamp, with active crossovers, high-quality 24 bit/192kHz DACs etc	Amethyst	Amethyst	7,292.00	12 input preamplifier with built-in Speaker/Room Optimizer, Phono Preamp, a Network Renderer, a 24 bit/192kHz DA Converter and a 2-way active crossover engine. 4 x outputs. WiFi connectivity
		Amethyst Bk	7,709.00	
Room / Loudspeaker Optimisers				
Magnitude³² The most powerful multichannel processor on the market, Magnitude optimisers handle from 8 to 32 channels and perform 4-way active crossover calibration. Integral 3D acoustic measurement & analysis engine, multiple automatic and manual processing options, patented 2D/3D loudspeaker re-mapping technology and unlimited number of supported subwoofers. Dims: H 97mm / 2U x W 441mm x D 420mm @ ~11.3kg <i>rack-mount kit included</i>	Magnitude³² 8-8	MG32-88	7,917.00	8-Channel: 8 x AES Inputs/ 8 x Analogue outputs. Up to 8 x channels.
	Magnitude³² 16-16	MG32-1616	11,292.00	24-Channel: 16 AES Inputs/ 24 Analogue outputs. Up to 24 x channels.
	Magnitude³² 16-32	MG32-1632	16,459.00	24-Channel: 16 AES Inputs/ 24 Analogue outputs. Up to 24 x channels.
	Upgrade, MG32-88 to MG32-1616	UP-MG88-1616	3,625.00	upgrade a Magnitude ³² 8-8 to Magnitude ³² 16-16
	Upgrade, MG32-88 to MG32-1632	UP-MG88-1632	9,167.00	upgrade a Magnitude ³² 8-8 to Magnitude ³² 16-32
	Upgrade, MG32-1616 to MG-1632	UP-MG1616-1632	5,417.00	upgrade a Magnitude ³² 16-16 to Magnitude ³² 16-32
ST2-HiFi Use with the OPT-MIC3 to acoustically optimise a system's performance in a room	HiFi Room Correction	ST2 Hi-Fi	4,709.00	2-in x 4-out HiFi room optimiser that sits between a system's pre-amp and power amplifier. Silver finish
		ST2 Hi-Fi Bk	5,125.00	As above, Black finish
Calibration Microphone				
3D Calibration microphone, complete with suspension and choice of connectors for use with different Trinnov products	3D Microphone	OPT-MIC3	496.00	3D calibration microphone with XLR3 connection, for Trinnov Hi Fi products
		OPT-MIC5	496.00	As above, but with XLR5 connection, for Trinnov AV products

July 2021 UK TRADE PRICE LIST in Sterling (Unit prices, VAT excluded). Prices subject to change without notice.

Range	Model	Stock Code	List £	Description
Accessories				
A range of Adapter, Breakout and Extension leads specifically for Trinnov products	Adapter	ACC-4XXLR3-XLR5	75.00	Adapter 4 x XLR3 to 1 x XLR5 (for OPT- MIC)
	Adapter	ACC-XLR5-4xXLR3	75.00	Adapter 1 x XLR5 to 4 x XLR3 (for OPT- MIC)
	Extension Lead, 3D Mic3	ACC-MIC3DCABLE-XLR5F-M	300.00	Extension lead, mini-XLR5F to 4 x XLR3M (for OPT- MIC3) - 40m
	Extension Lead, 3D Mic5	ACCMIC3CABLE-XLR5	113.00	Extension lead, XLR5, for OPT-MIC5 - 10m
	Extension Lead, 3D Mic3	ACCMIC3DCABLE-XLR3	113.00	Extension lead, 4 x XLR3 for OPT-MIC3 - 10m
	Extension Lead, D-Sub 25	ACC-SUBD25-AES.0.4m	130.00	Exension lead, SubD25 - SubD25 for Altitude 48 - 400mm
	Lead, AES, D-Sub 25	ACC-SUBD25-AES3	246.00	Lead, AES SubD25-SubD25 - 3m.
	Breakout Lead, Analogue	ACC-SUBD25RCAM-ANA1.5-A	205.00	Breakout lead, Analogue Out - 8 ch. SUBD25-RCAM - FL-ground - 1.5m
	Breakout Lead, Analogue	ACC-SUBD25RCAM-ANA1.5-B	205.00	Breakout lead, Analogue Out - 8 ch. SUBD25-RCAM - CON-ground - 1.5m
	Breakout Lead, Analogue	ACC-SUBD25XLRf-ANA3	125.00	Breakout lead, Analogue In - 8 ch. SUBD25-XLRf - 3m
	Breakout Lead, Analogue	ACC-SUBD25XLRM-ANA1.5	166.00	Breakout lead, Analogue Out - 8 ch. SUBD25-XLRM - 1.5m
	Breakout Lead, Analogue	ACC-SUBD25XLRM-ANA3	166.00	Breakout lead, Analogue Out - 8 ch. SUBD25-XLRM - 3m
